The target audience for this class is individuals responsible for OSHA recordkeeping within a company with more than 10 employees. You will learn:

- OSHA recordkeeping requirements for workplace injuries and illnesses;
- Correct use of the required OSHA recordkeeping forms (300 and 300A);
- Guidelines for recordable and non-recordable workplace injuries and interpretations;
 - How to determine and compare injury and illness rates

Public entities fall under PERRP jurisdictions and are still required to complete (and submit annually) the PERRP logs, which have the same general guidelines and logic as the OSHA requirements.

Cost is \$10.00 per person, which includes breakfast. Reservations must be made and paid in advance by November 30, 2010. Submit your reservation by email to Sally Cox at sallycox5@aol.com. Make check payable to Summit County Safety Council and mail to:

Summit County Safety Council ~ 1 Cascade Plaza, 17th Floor, Akron, OH 44308.

Members of the sponsoring safety councils can receive one regular meeting credit. For members of other safety councils, attendance at this event qualifies for one external training credit toward BWC's Safety Council Rebate Program. Attendance also qualifies for the Two Hour Group Rating Safety Training Credit. Certificates will be provided at completion of class.
